## Parties & Events

There's no better excuse for a party, be it for a Birthday or a Company Event for 30 to 100, we at the Pinewood can cater for all your Party needs. This can be from a very sophisticated sit down meal to the craziest of fancy dress party's, we don't mind and are happy to join in!

So why not come along for a show round, to discuss your requirements. The function room is perfectly equipped with its own private bar and backs on to our stunning grounds which has outside games including giant draughts, giant jenga, football and plenty of ground for a bouncy castle or for the children (and adults!) to run about.

Planning a surprise party can be very hard to keep secret so if you require any help with organizing party decorations, from balloons to flowers, disco's to bands or fancy dress costumes to tribute acts- ranging from Ghostbusters, Starwars or Doctor who characters, just let us know and we can help!

On the following pages you will see different menu idea's, but if you are after something different please just let us know and we will be happy to come up with something just for you.

The Room Hire price depends on the month and how many people you are looking to cater for.

So come to the Pinewood for a Party you won't be able to forget!
